## Creating Confidence...

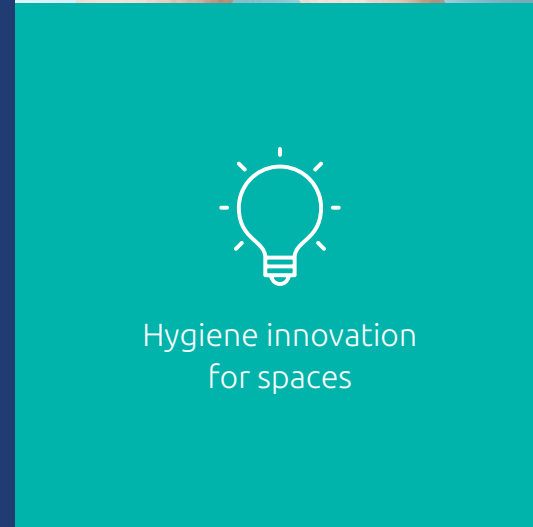

Recent times have taught us that our ways may have to change, with that in mind we are helping our clients to rebuild confidence in their spaces.

Be it a restaurant, a workspace, a hotel a gym or a shop, hygiene needs to be on view and accessible, social distancing measures need to be adapted. How can we make this cool?

**RIGASAN** solutions keeping in line with your brand.

## Accessible Hygiene

Accessible hygiene in spaces is key to putting your client or colleagues mind at rest.

A number of products we have designed and manufactured are:

**Wipe  
dispensers**

**Sanitiser  
dispensers**

**Wash  
stations**

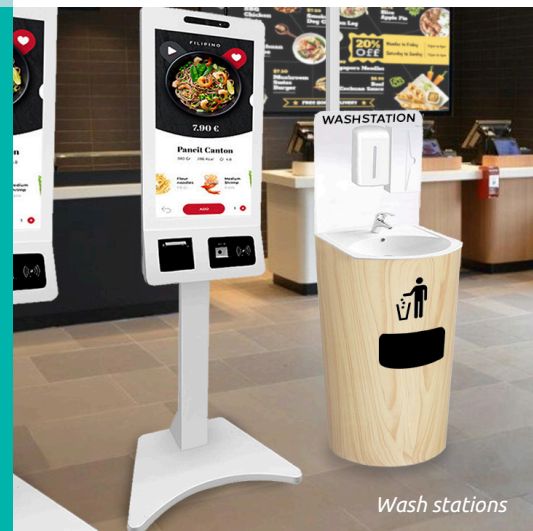

**Branded  
dispenser units**

Keep your counters, screens  
and hands clean

*Wash stations*

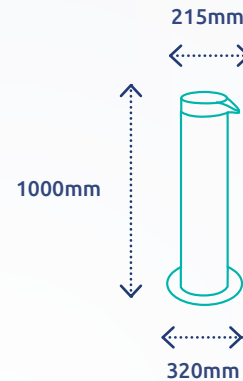

*Penguin Sanitiser  
dispensers*

# Penguin Sanitiser Dispenser

Foot operated units that safely dispense hand gel or sanitiser.

- Non captive, can use any liquid or gel sanitiser
- Takes a 5L tub at a time for longer lasting use
- Non electric mechanism
- Available as standard in a black and white powder coated finish. Customisable available on application.
- Heavy duty unit, easily cleaned and maintained
- Can be floor fixed for security
- Manufactured in Europe & UK
- Registered Design EUIPO 007871926

# Screens & Divider Solutions

With the social distancing measures in place we have a unique range of screen divider solutions to help put your policies in place. Aesthetics and design can be lost quickly if you use the wrong products so we have designed ours around the sectors where experience matters!

# Space Assessment

Our space assessment will give you a look into your furniture layout and access points for hygiene.

Assessments and recommendations carried out in restaurants, workspaces, hotel lounges and hospitality spaces.
